To MR. KEATING. REUBEN ELDRIDGE.

THE ACKNOWLEDGED AND SAFEST REMEDY in all Nervous, Rheumatic, and Paralytic Diseases, is now rendered self-applicable in all cases of Impaired Vitality and Functional Disorders by the perfection of PULVERMACHER'S New Patent SELF-RESTORABLE VOLTAIC CHAIN BATTERIES, FLEXIBLE BANDS, BELTS, &c., &c. These remarkable Galvanic appliances have received the distinguished approval and support of the chief medical authorities of Europe, by official reports and testimonials. A recent Testimonial, signed by the following eminent English Physicians and Surgeons, is in the Patentee's possession, viz., Sir C. LOCOCK, Bart., M.D., Sir H. HOLLAND, Bart., M.D., F.R.S., Sir W. FERGUSSON, Bart., M.D., Sir J. R. MARTIN, C.B., M.D., F.R.S., Dr. HANDFIELD JONES, F.R.S., Dr. E. SIEVEKING, H. LOBB, Esq., M.R.C.S., &c. The Académie de Médicine, Paris, and the Royal College of Physicians, London, have voted an address of thanks to the Inventor for his most interesting discovery. See extracts in Pamphlet, and originals at the Establishment.—The Nervous System, debilitated from whatever causes, receives from these Galvanic appliances the natural stimulus for which it craves, and, thus re-invigorated, is enabled to throw off those morbid principles resulting in Feelings of Pain, Sluggish Circulation, Defective Secretions and Nutritions, which, according to the symptoms, are termed Rheumatism, Neuralgia, Lumbago, Sciatica, Gout, Nervous Deafness, Indigestion, Paralysis, Epilepsy, Nervous Debility, Mental Derangements, &c. Chain-Bands, Voltaic Belts, &c., for less inveterate cases, &c. to 23s., according to electric power. Combined Electric Bands for restoring impaired Vitality, 30s. to 40s. Portable Chain Batteries, superior in effect and convenience to any other known, from 3 to 4 guineas, complete with accessories. Prospectus and Pamphlet post free on application to

RECENT TESTIMONIAL.

August 23, 1868.

DEAR SIR,—Having tried your Cough Lozenges in India, I have much pleasure in testifying to their beneficial effects in cases of Incipient Consumption, Asthma, and Bronchial affections; so good a medicine ought to be known to be appreciated. I have prescribed it largely with the best results. W. B. G.
